I will take attendance at the start of each class. Please arrive on time!

### **Grading**

*Homework (30%)* Homework will be assigned every week to be handed in the following week. See the class web page. Late homework will not be accepted.

*Class Tests (40%)* There will be 5 in-class tests, with one given every three weeks. The first will be on Wednesday, Sept 13. Test questions will be similar to homework questions. Your lowest score test will be dropped.

*Final (30%)* The final will cover all the material in the course. It will be held some time in Finals Week: Dec 14-20

### **General Advice**

The key to doing well in this class is to spend time working on the problems in the text at the end of each section and the assigned homework problems.
