#### **Grading**

*Homework (30%)* Homework will be assigned every week to be handed in the following week. See the class web page. Late homework will only get partial credit.

*Exams (35%)* There will be four exams during the semester on each chapter, with questions similar to homework questions.

*Final (35%)* The final will cover all the material in the course. The questions will be similar to homework and exam questions.

#### **General Advice**

The key to doing well in this class is to spend time working on the problems in the text at the end of each section and the assigned homework problems.
