

# AMATYC Student Math League Contest

**Date:** Thursday, November 1

**Place:** CPH 308

**Time allotted:** one hour (during club hours)

**Eligibility:** student must have successfully completed a minimum of 12 semester hours (or equivalent quarter-hours) of community college (two-year college) coursework by the end of the academic term in which the second exam is given.

**Level of problems:** pre-calculus and below

**Training Session:** Thursday, October 25<sup>th</sup> in CPH 308

(during club hours)

*Can you do it?  
Of course! Why do you  
even doubt it??!!*

*Is it worth trying?  
Of course!  
You will see problems you won't see in  
class. They are not hard, just different.  
Curious about them?*

Come try it!

In a nice, calm and friendly environment. This is not a course test; no grades that can affect your GPA! However, if you win a prize, you should include it in your CV/Resume/application when applying to another college!
