

**Three Minute Paper**

1. What is the point in the current lab/lecture that you found the least comprehensible?

---

---

2. What pages explain this point in your text? \_\_\_\_\_

Have you read those pages? \_\_\_\_\_

Are there terms in that section that you do not understand? \_\_\_\_\_

List a few of them below:

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

Look them up in the glossary and list the terms and any definitions you can find in your notebook before the next class. I may ask to see them.

3. What is the most interesting thing discussed in today's lecture?
