Class web page: <http://fsw01.bcc.cuny.edu/cormac.osullivan>

This is a regular web page (not on Blackboard). I will email the link to everyone. The class page will contain the class calendar, information, due homework, review sheets and more.

Book

The textbook for this course is shown on the syllabus. It is a good idea to buy it as it will help you to do well.

Attendance

I will take attendance at the start of each class. Please arrive on time!

Grading

Homework (30%) Homework will be assigned every week to be handed in the following week. See the class web page. Late homework will only get partial credit.

Exams (30%) There will be three 90-minute exams during the semester, with questions similar to homework questions.

Final (40%) The final will cover all the material in the course. The questions will be similar to homework and exam questions.

General Advice

The key to doing well in this class is to spend time working on the problems in the text at the end of each section and the assigned homework problems.

If you have any questions or concerns, talk to me after class. If you need more help please come to my office hours or set up a time to meet. You can also get tutoring assistance at The Math Tutorial Lab which is open all semester, starting soon:
